Dear Mr. Cappelli:

My name is _____ and I am a student at the University of Phoenix _____ campus. I recently learned the University of Phoenix's accreditation status was put on "notice" by the higher learning commission. Losing accreditation would risk my ability to get federal financial aid. As a _____ student who is investing a lot of my hard-earned money to earn a college degree, I am calling on the Apollo Education Group to be fully transparent with students about the accreditation problems at our school.

Tell us the truth.

We have a right to know.
